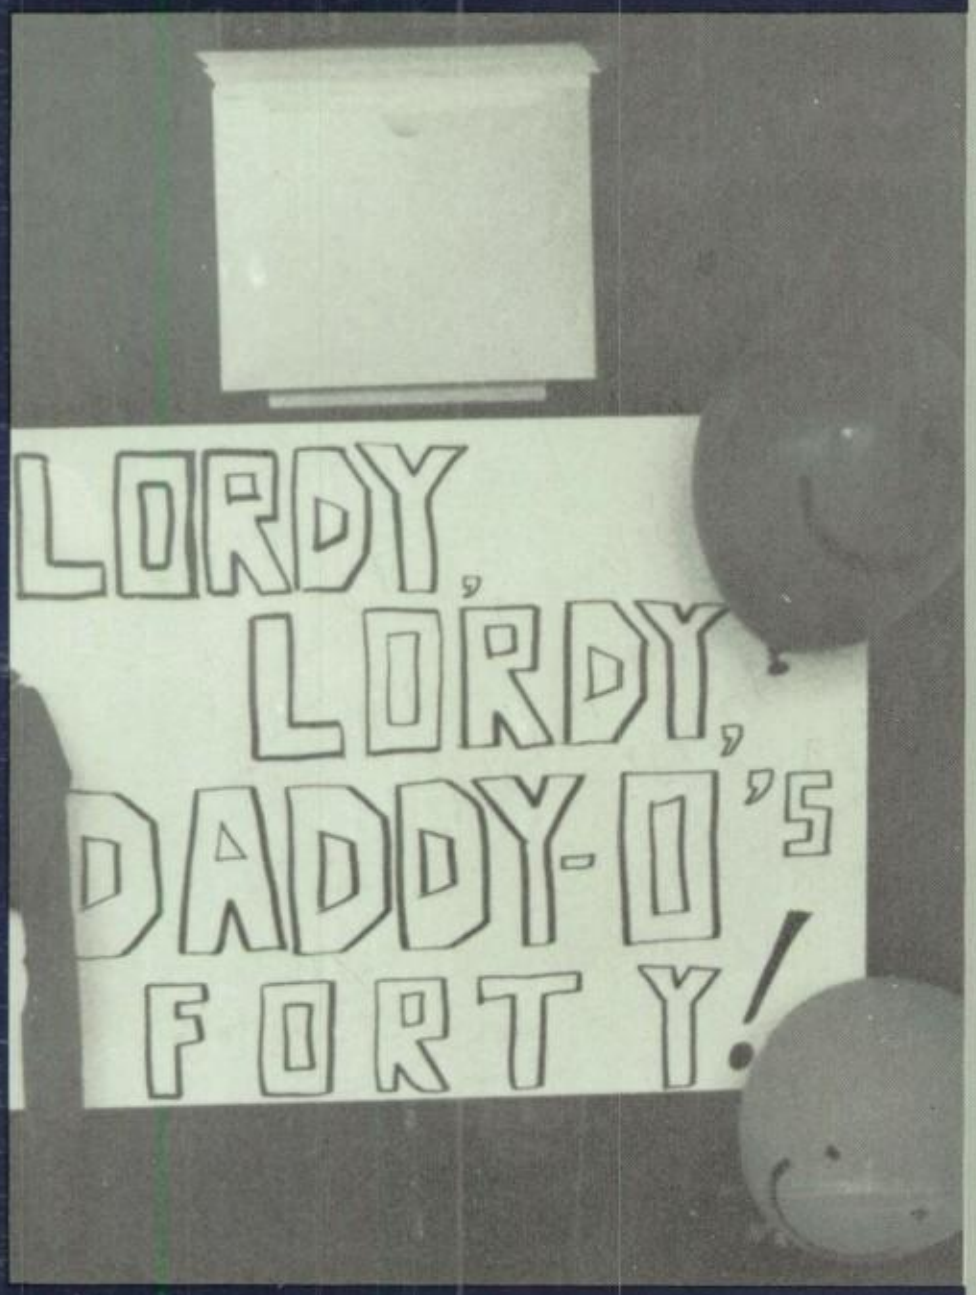
# THE BEST OF TIMES

Our lives go on forever without stopping, and no moment we live can be relived. There is no way we can bring our good times back, so we must create as many "best times" now as we possibly can to cherish in the future. Our high school years are some of the best years of our lives, and we will want to remember these times in years to come. The ARIES staff has tried to put together those best times for you in this year's ARIES. As you turn the pages one by one, you will see that we have captured "The Best of Times."



To celebrate Mr. Owens' birthday, students decorated his door and hinted at his age.

M. Reid enjoys a life of laziness.

Who, me? I don't know a thing, honest.

Janice,
You are a very cute girl. I've enjoyed knowing you. Have fun this summer and stay out of trouble.
Love

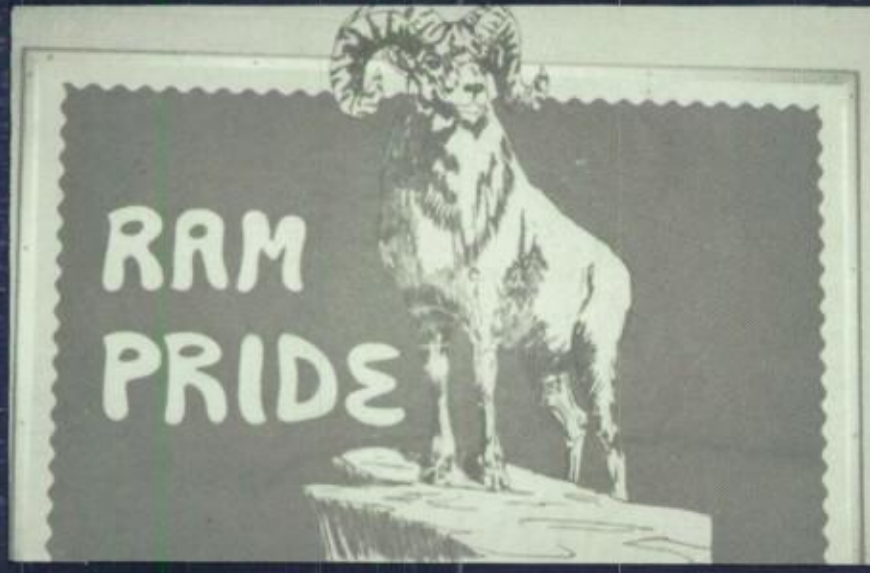
Jane



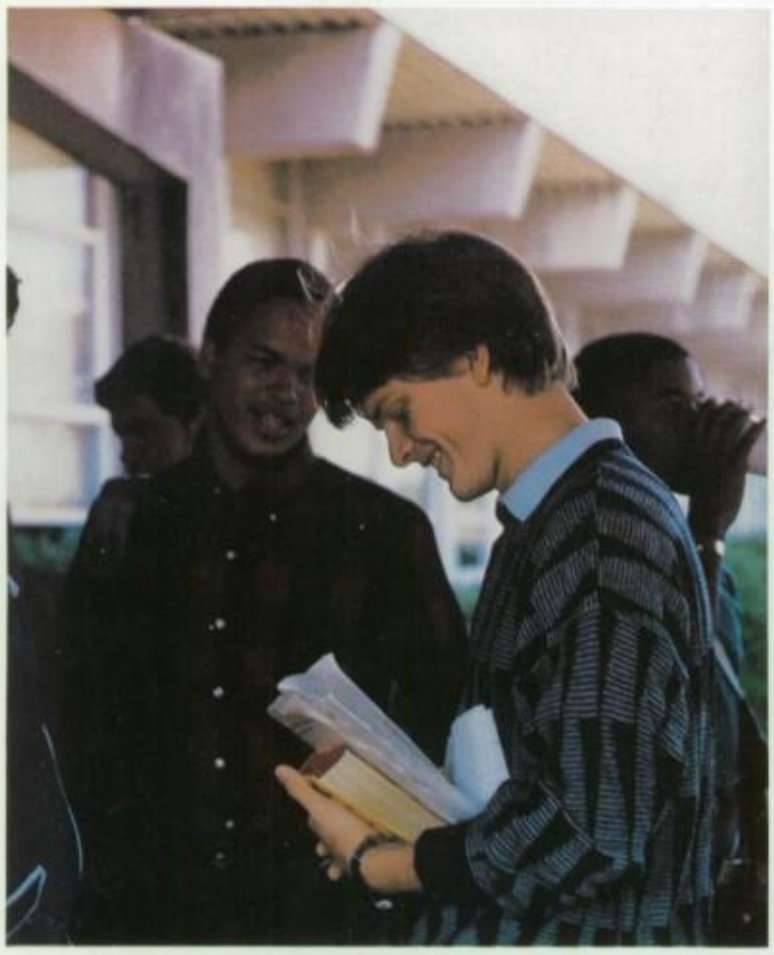
Does NBSH have Ram Pride? You be the judge.

JANICE,
ENJOYED HAVING YOU IN CLASS THIS YEAR. OUR CLASS IMPROVED ALOT + SO DID YOUR GRADES. YOU FINISHED THE YEAR A GOOD STUDENT. KEEP IT UP NEXT YEAR.
J. W. Blue

Hey, guys, over here!

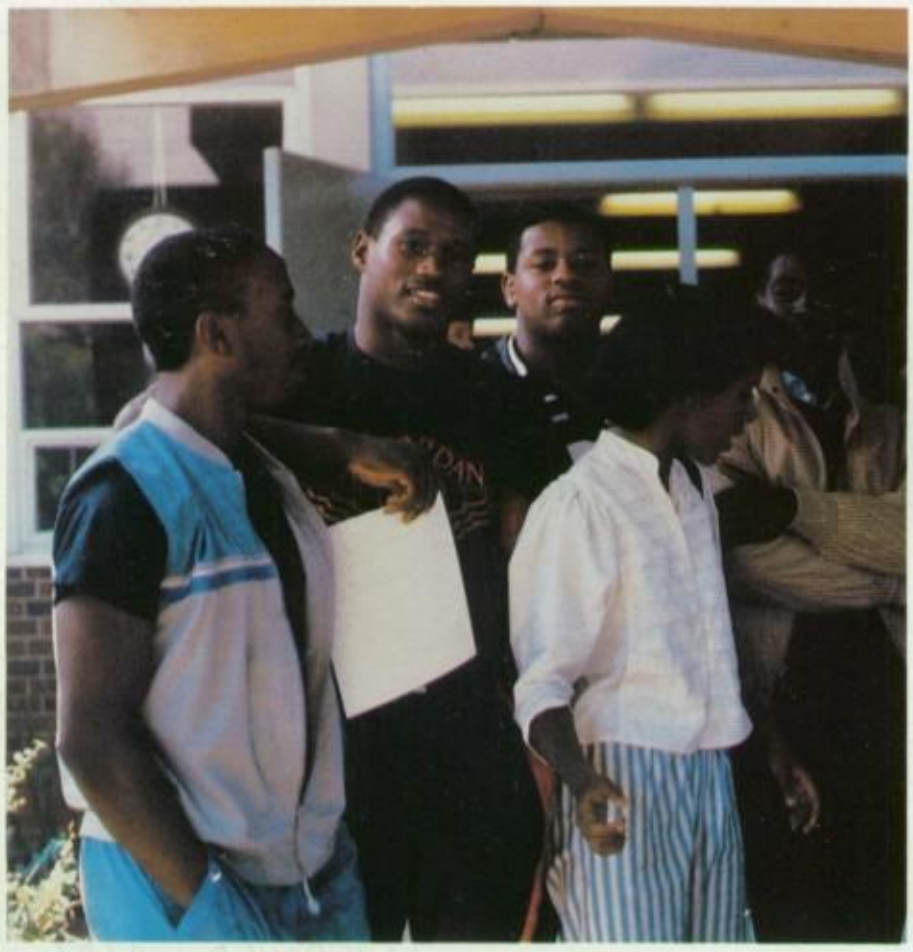
Classmates

# THE BEST TIMES ARE

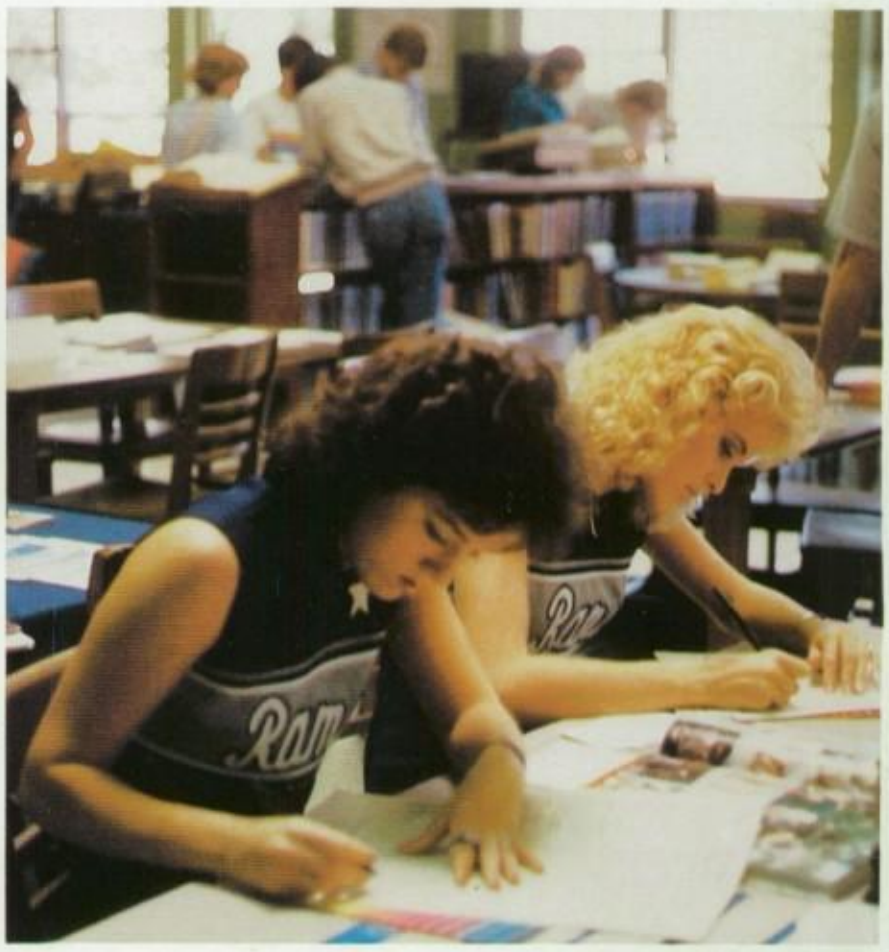


J. Schmidt is a happy foreign exchange student.

M. Reid and T. Blevins show their modeling expertise.



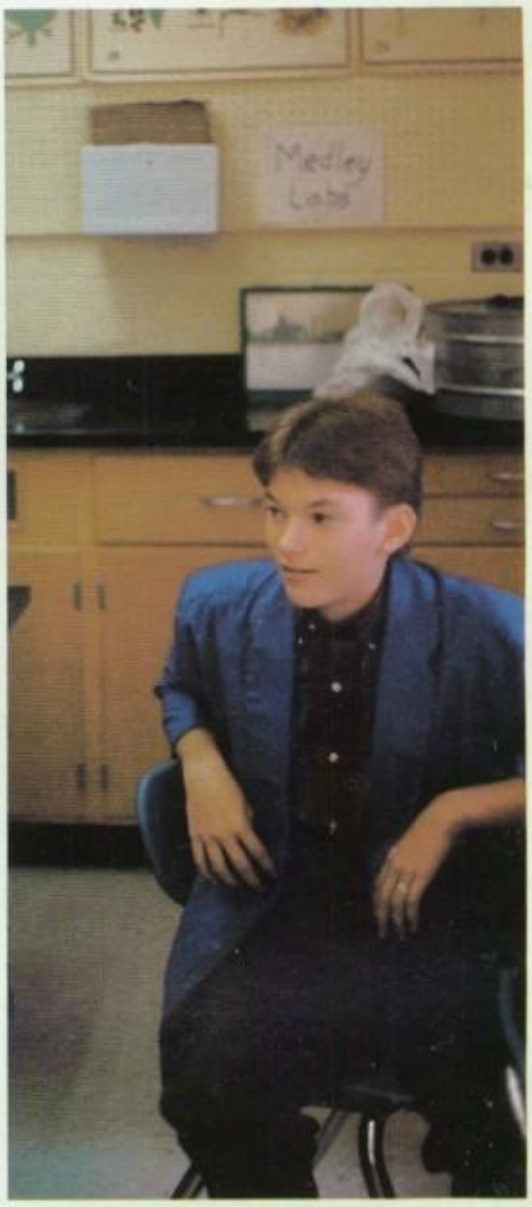
As usual, D. Dunlap is not paying attention!



J. Teeters and S. Holland work hard at Career Day.

# THOSE WHICH ARE SHARED

Show us those cover girl smiles!



B. Ward must be fascinated by Mr. Medley.

J. Jones and M. O'Bryant are cheerleaders?!?

"C. Bozarth, what have you done now?" asks Ms. Evans.

# THE BEST

This is the first year we have taken a poll for the students' favorite things. To our suprise, this turned out to be extremely successful. Many students came by the table we stationed outside the cafeteria to sign up their favorites. The votes have been tallied. Here are your favorites.

We picked Pizza Inn as our favorite place to eat.

"Rambo" was the best movie.

Our favorite food was, of course, pizza.

Born in the U.S.A. was the favorite album.

# OF NESH

NESH's favorite pastime is talking on the telephone.

Janice,
Well, I guess I'm leaving this hell-hole of a school. Sorry to say that you have a couple of years left. Just stick it out! You're a pretty nice girl, & I'm glad I got to know you. Bleus Creek was fun! Well, I wish you lots of luck & I hope to see you over the Summer & in the future.
Friends,
Angela McLamb
1986

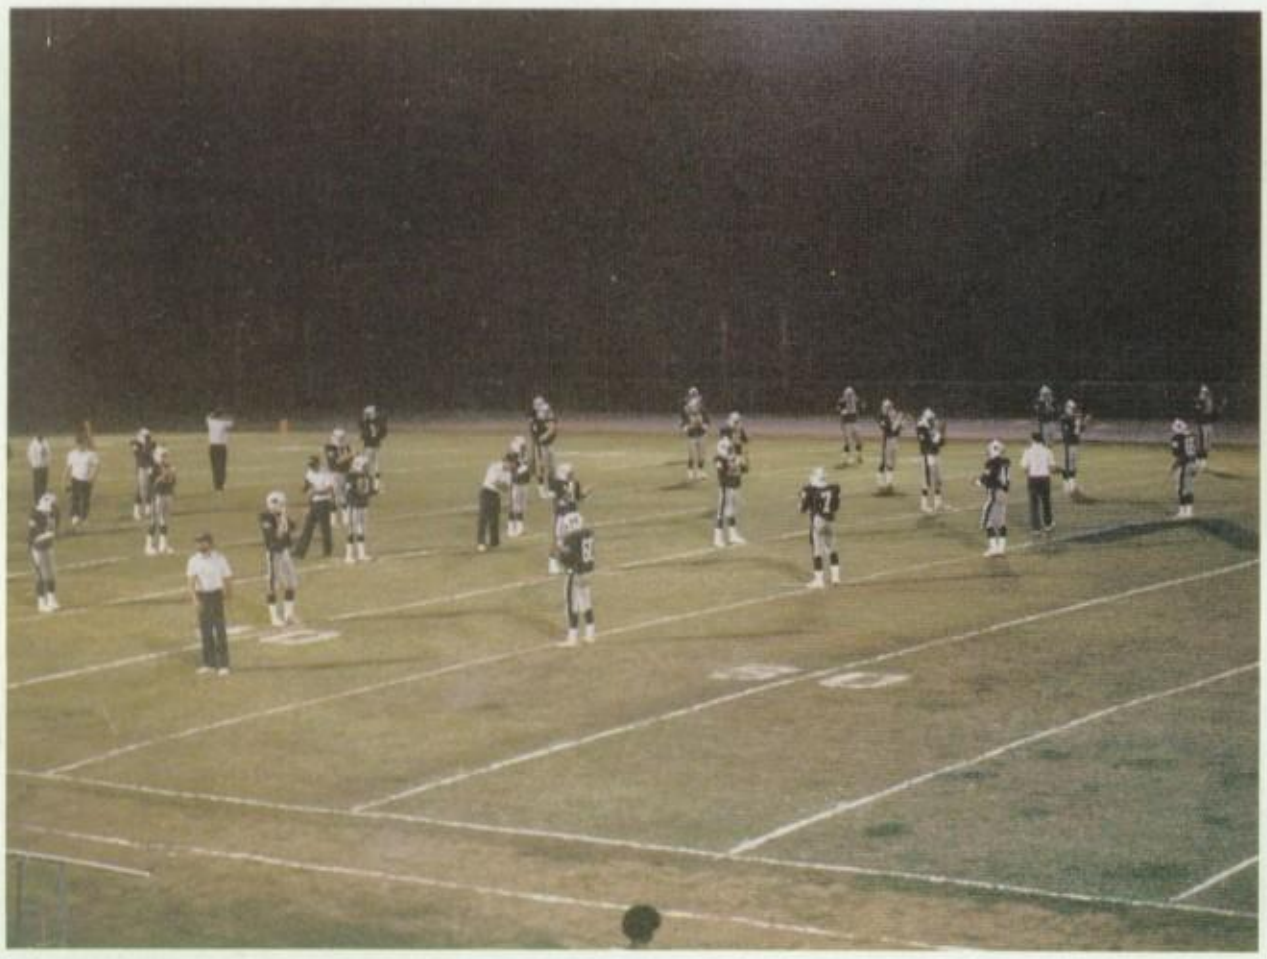
Janice,
I wish I had got to know you better but that's how it goes. I hope that things work out for you in all that you do. See you over the Summer
1986! Friends,
Tammy Setzer

Football was voted as our favorite sport.

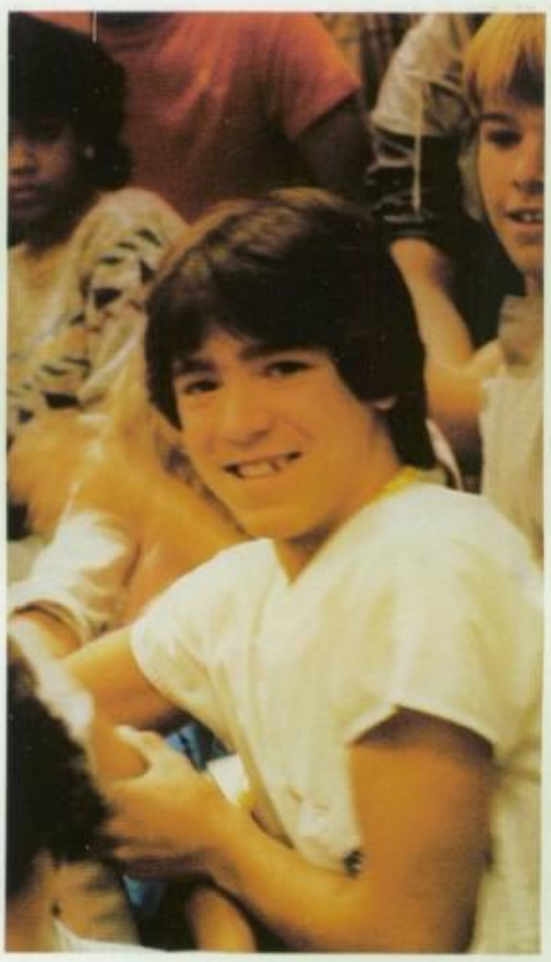
# OUR BEST OF TIMES

The Ram is always cheering!

L. Rumley is the only cheerleader who noticed the camera.

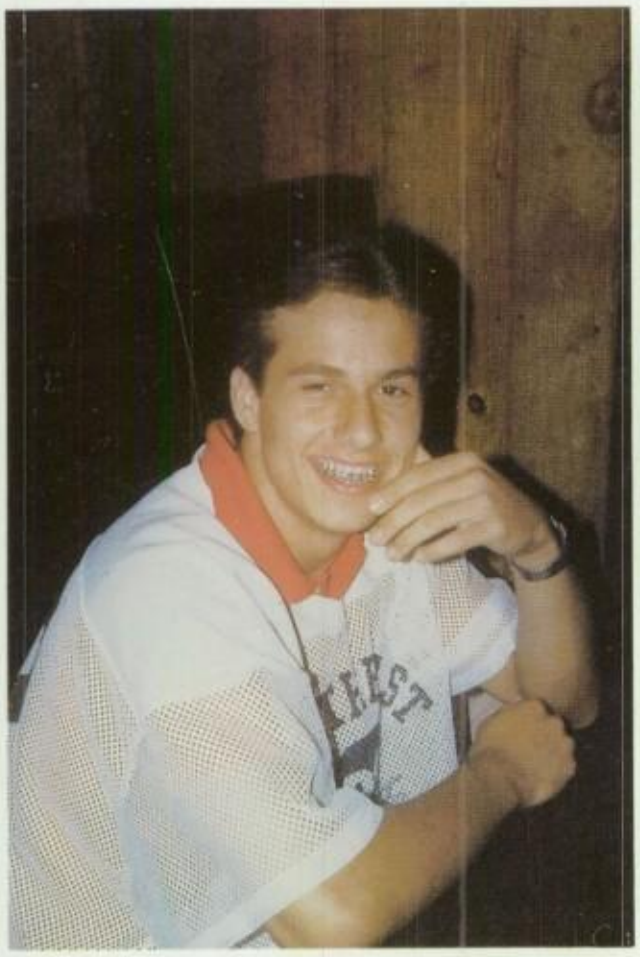


Getting ready for the game is exciting to everyone.



B. Phillips is happy at the pep rally.

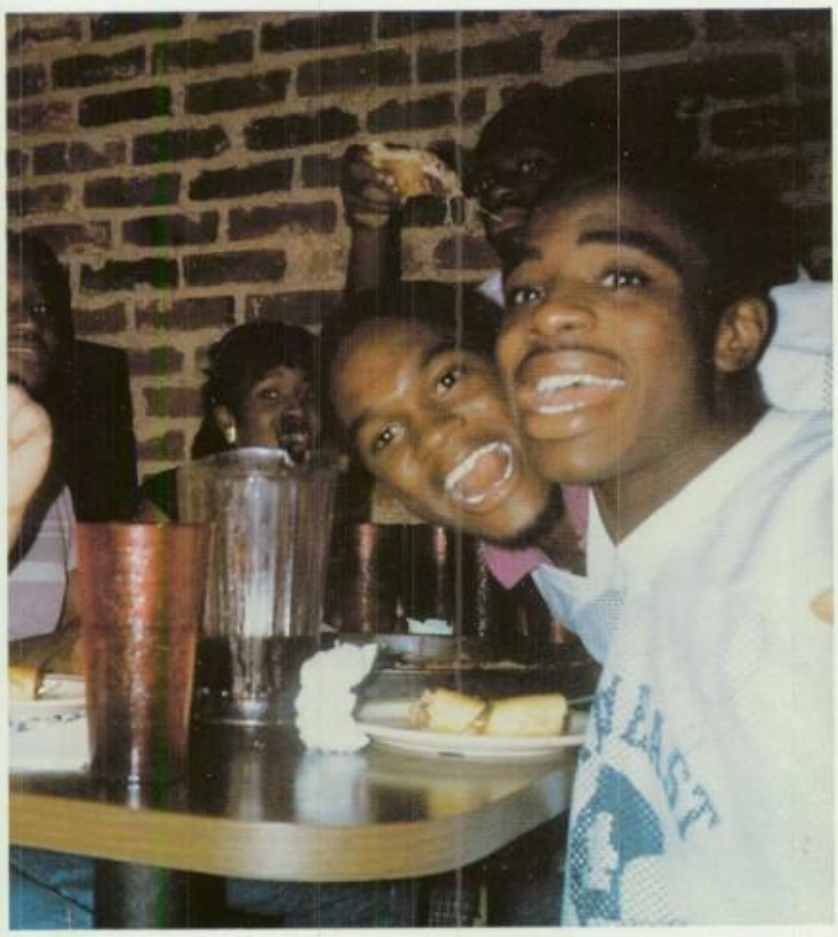
# INCLUDE FRIDAYS



G. Seamans enjoys himself at Pizza Inn.

B. Woods finds the time to be with his two favorite ladies.

R. Smith is showing the look of satisfaction.

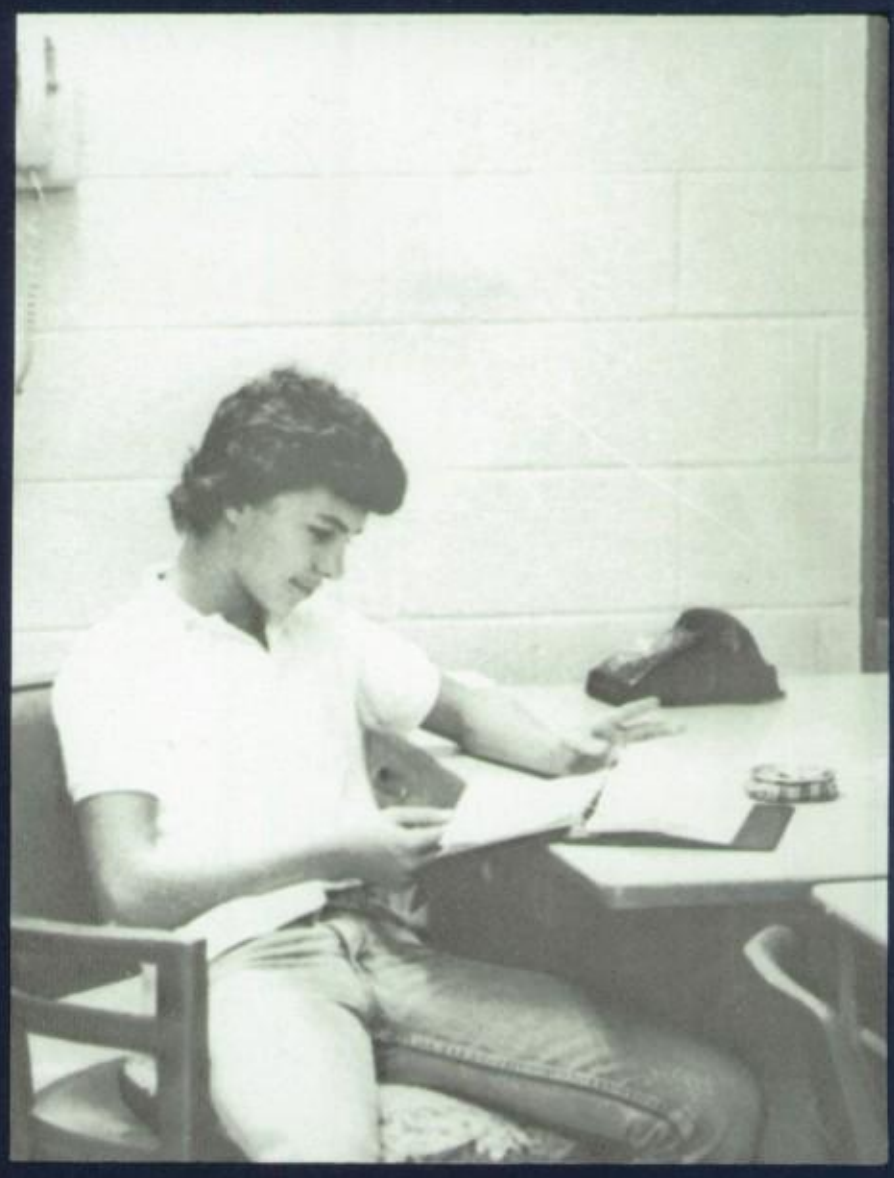


Everyone has fun at Pizza Inn.

T. Pitchford is more interested in pizza than girls.

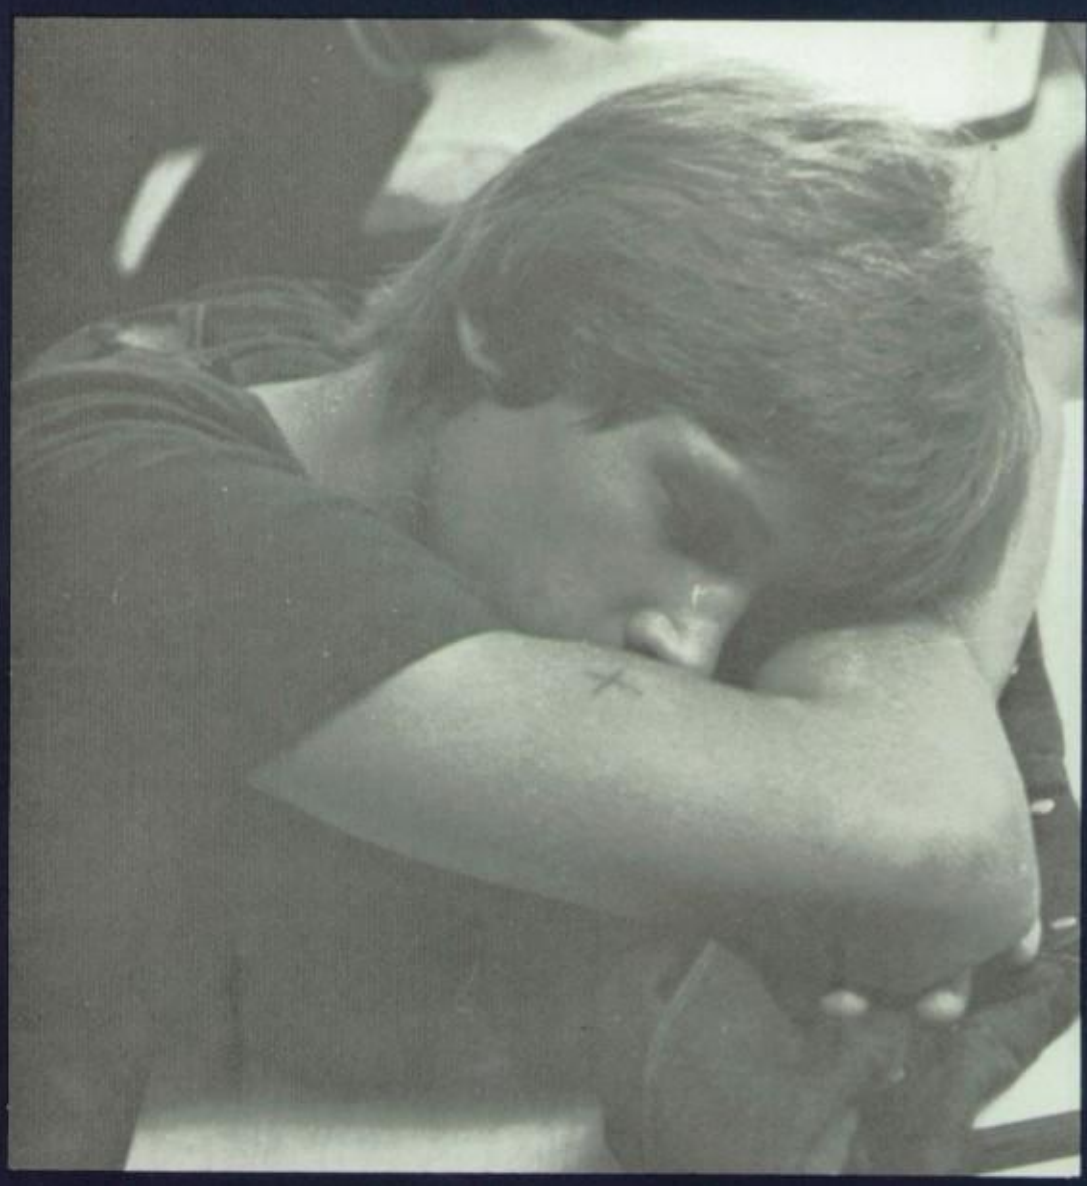
K.McMillan and W. Holland spot two different things.

M. Cockman looks like an executive.



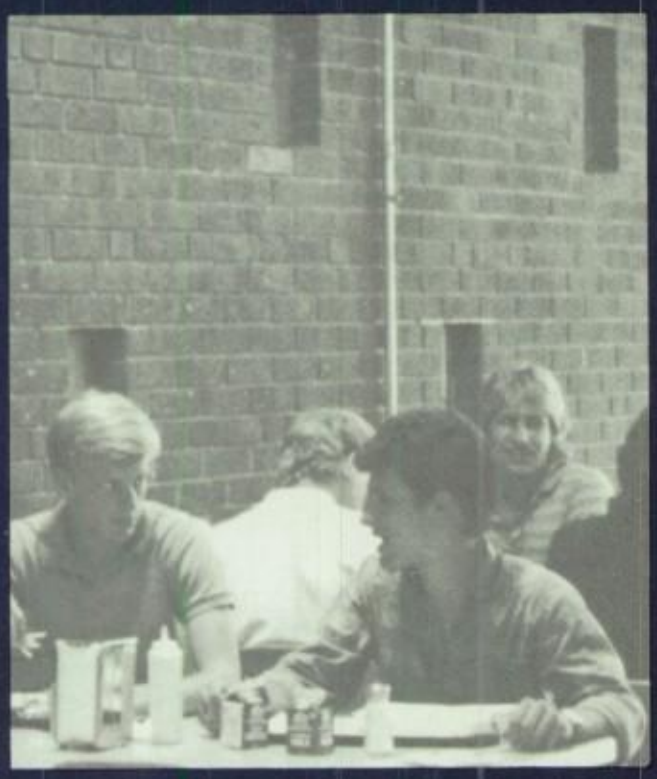
Lunch is a happy time for everyone!

C. Donahue is proud to be a senior!



J. Wilson loves his classes!

# THE BEST TIMES WILL LAST

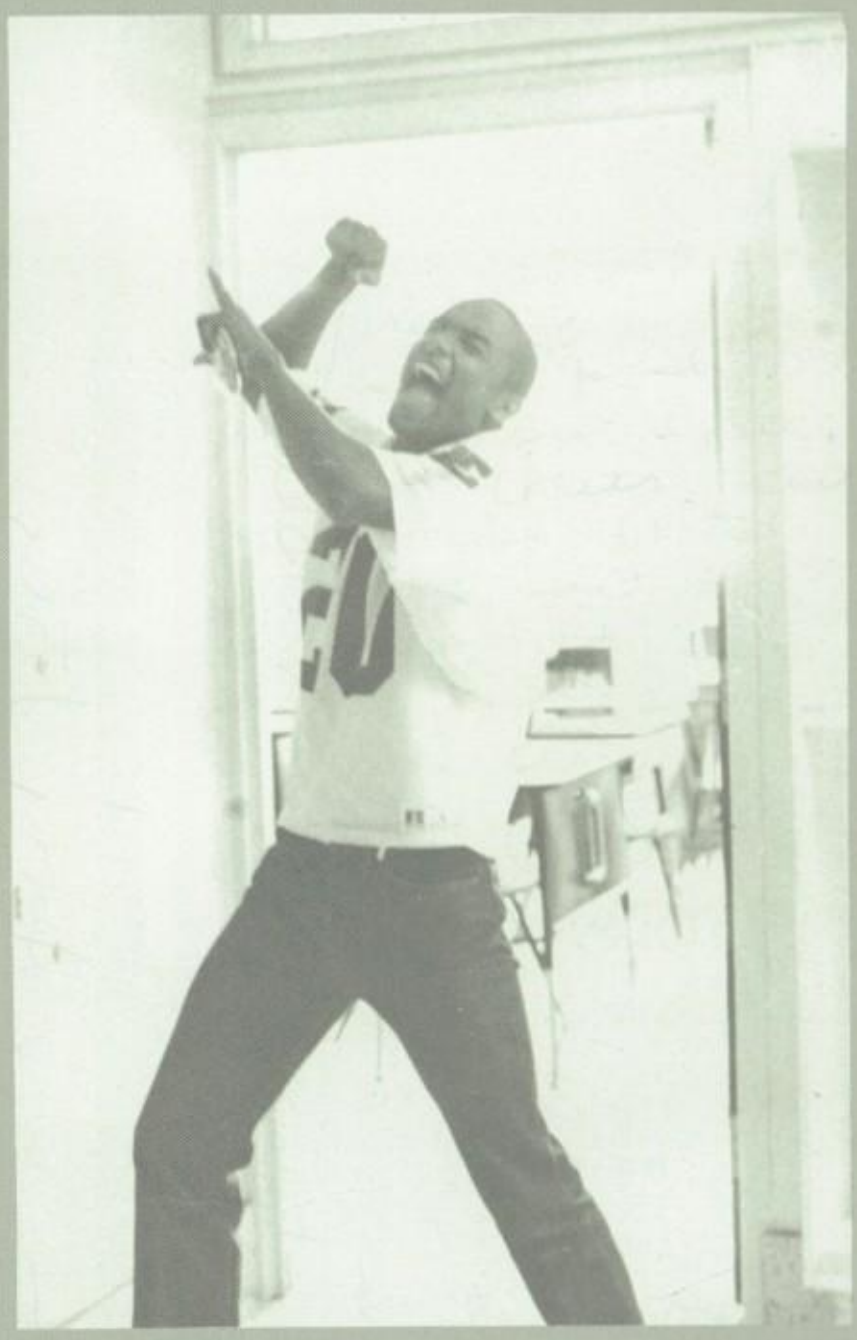


R. Smith wonders about G. Tart.

Everyone loves to relax on the smoking ramp.

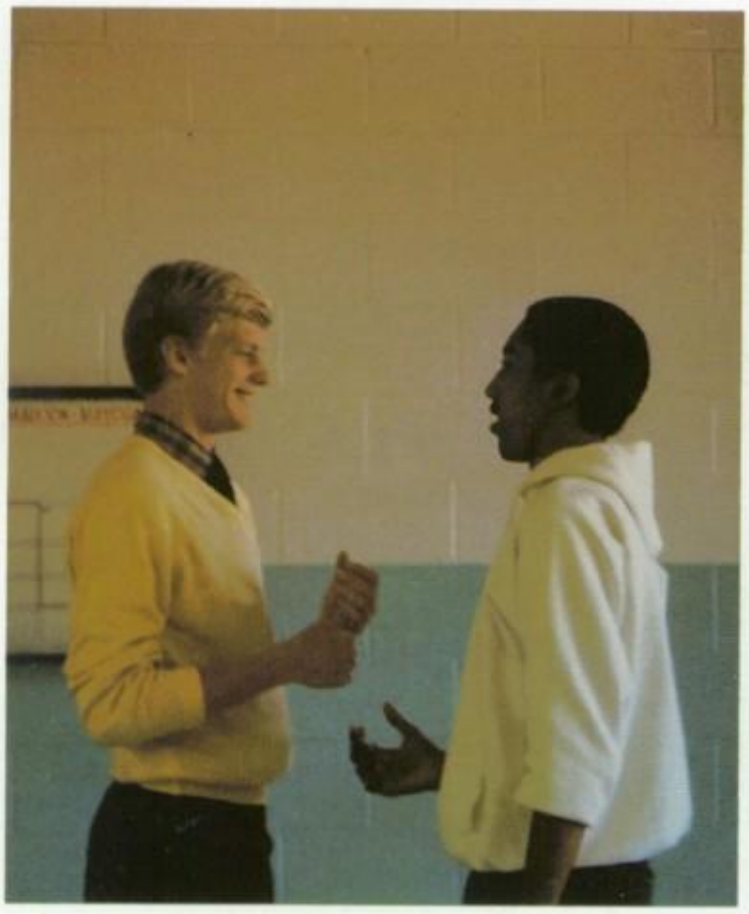
D. Simmons and N. Jones look excited!!

Being alone doesn't bother J. Denny!

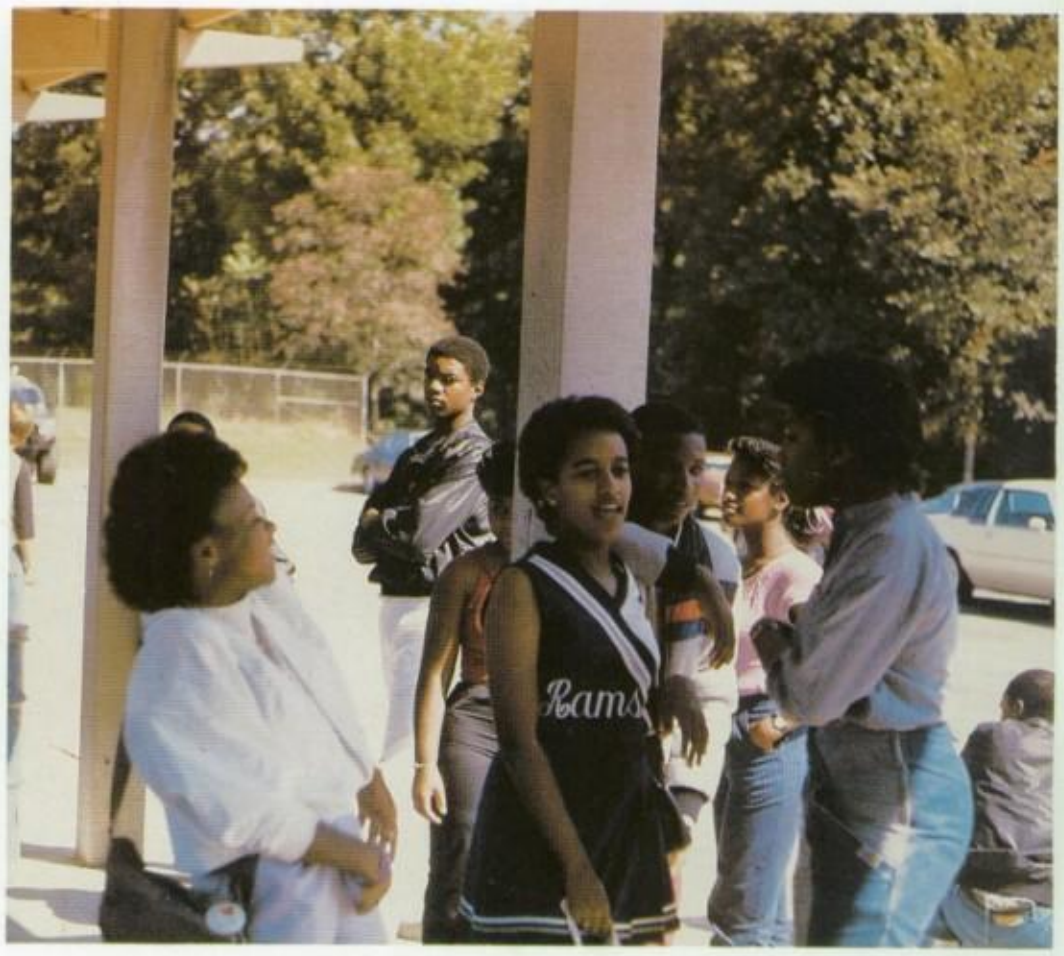


D. McCorkle has that senior spirit!!

# BEST TIMES ARE NOW

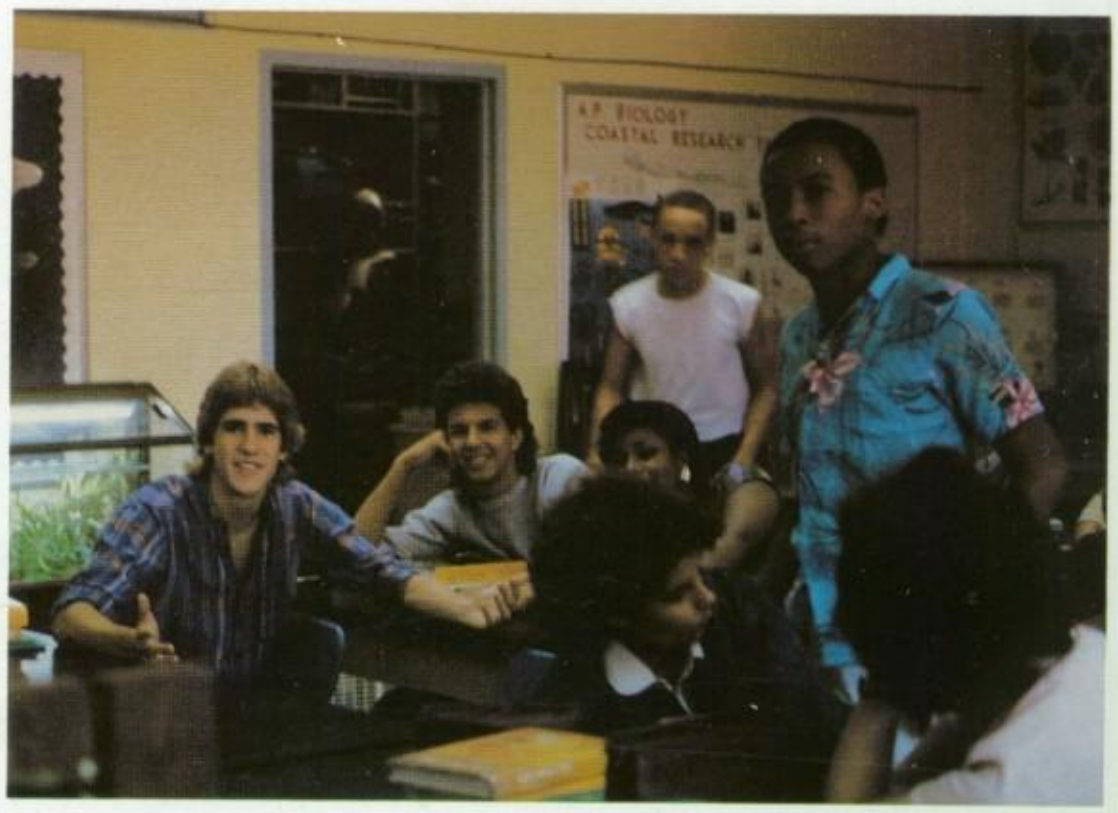


O. Wilson asks R. Smith, "C'mon, man, what did she say?"



P. McCain amuses her friends with stories about cheerleading.

S. Reid and J. Barnett take time out of their busy schedules to relax.



The sophomores in Mr. Medley's class show us how they hardly work.

C. Fox thinks it's all down hill from here.

# DEDICATION

The 1985-86 ARIES staff would like to dedicate this yearbook to Mr. Frank White. During his twenty-three years at Northeast, he taught math and physics and was also involved with the High I.Q. Team. Although he retired last year, he can still be seen around school as a substitute or helping out at athletic functions. We thank you and appreciate you, Mr. White, for your long, hard years of work here at Northeast.

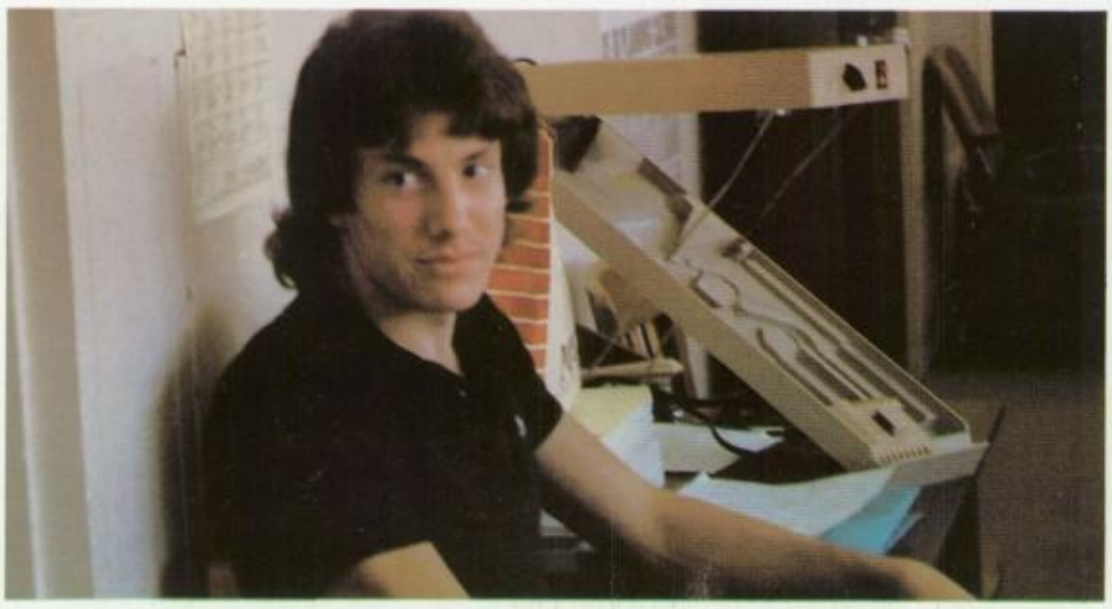
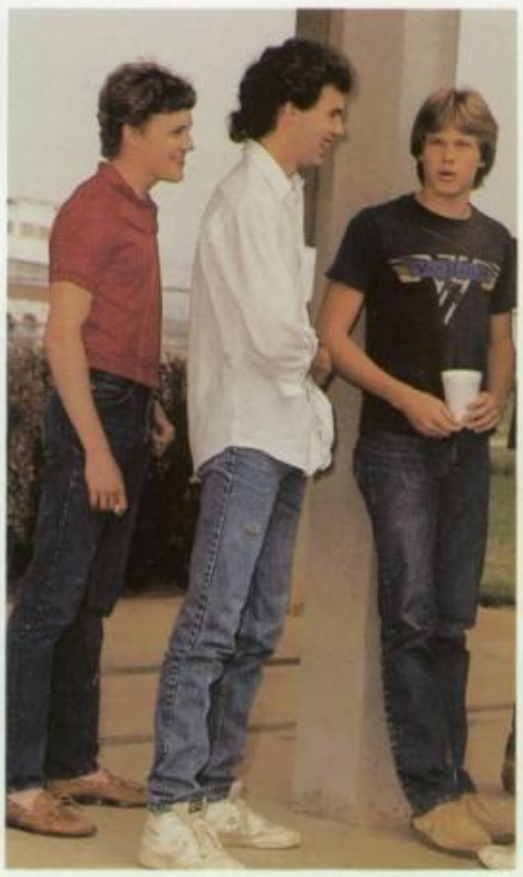
What do these seniors find so amusing?

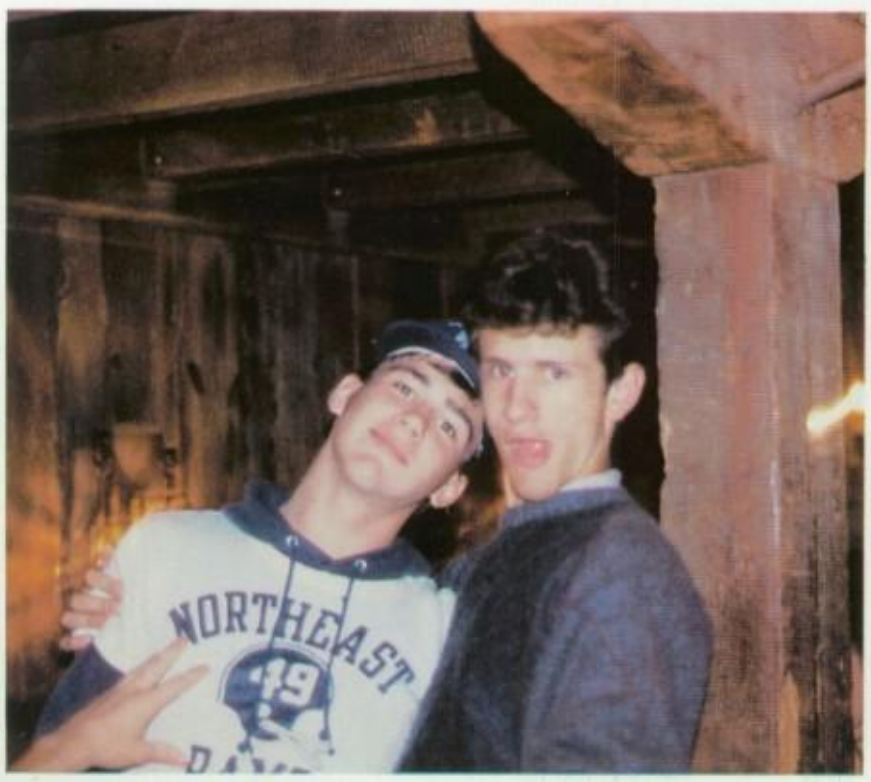
Memories left behind.



Wonder who S. Friel has his eyes on?



What have these seniors done now?



G. Tart says, "That's my boy!"

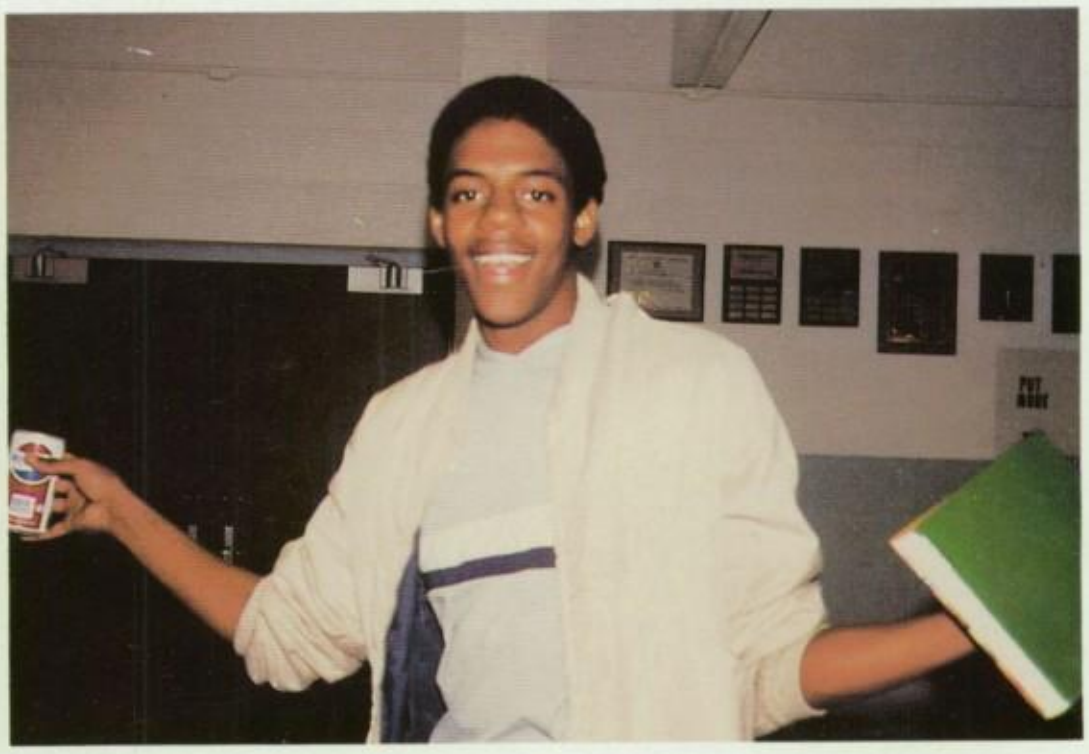
Seniors still smile after SAT.

Turn around, Cindy!

Is T. Bishop goofing off?

Are you aiming at us?

I can't believe he fell!



What can I say? I'm a senior.

Under the leadership of two new advisors, the Student Council began the year at a fast pace with elections for sophomore class officers and representatives. The next item on the agenda was Homecoming '85. Plans for this included Spirit Week with daily costumes, a homeroom door decoration contest, an hour-long pep rally complete with floats and games, and a post-game dance attended by over 300 people. The Student Council then devoted themselves to helping others during the Christmas season by sponsoring a needy family, clubs for Christmas charity, and the Empty Stocking Fund. Other projects, including a dance and class elections, were carried out through the remainder of the year.

## SADD SUCCEEDS

Every school year is special for its graduating class, but this past year was extra special. With the help and guidance of Bob Owens, the triumphant leader of our spectacular SADD organization, Northeast managed to keep the Class of '85 alive. The 1985 seniors were the first graduating class in thirteen years to graduate all the students who came in with that class as ninth graders without losing a person to death. SADD has grown stronger and larger with each new year. The results of the SADD program became clearly visible as the 1985 seniors left Northeast Senior High with a good education, happy memories, and, most importantly, their lives.

On Friday, November 22, 1985, the final buzzer marked the end of the finest football season Northeast has ever seen. Northeast lost the playoff game to Burlington Williams but achieved a feeling of self-satisfaction for their fine performances throughout the season.

Northeast dominated the Triad 3-A Conference, losing only one conference game to Southern Guilford. The Rams compiled an 8-2 regular season record and finished 9-3, including the playoff games.

Following a 35-0 demolishing of Rockingham on Homecoming night, the Rams captured a playoff berth. They romped over Burlington Cummings 35-6 to record the first state playoff win in Northeast's history. This feat was also accompanied by the first Triad 3-A championship since 1972. The success of the season can be credited to the hard work and undying spirit of the team members, and to the leadership of the coaches. The managers also receive credit for their dedication to the team.

The Rams averaged 28 points per game and allowed only 5 points per game. All-Conference players included Darrell Courts, Ronald Smith, Darrell McCorkle, Roy Johnson, and Jeff Bunton. Darrell Courts also received honors for being named Triad 3-A Player of the Year, while Mike O'Bryant and Steven Friel were named to the All-Metro squad. Scott Boyd and Jeff Wyrick teamed up to lead the unyielding Ram defense. Burney Sindab, Mickey Simmons, and Sammy Scales also added great performances for the Ram team.

The Rams were undefeated this year in dual meets and also finished the season undefeated. Northeast placed second at the Wake Forest Invitational for 3-A schools. The Rams won the Conference meet for the third time in five years and the conference championship for the second time in five years, while finishing fourth at the regionals in Winston-Salem.

This was one of the bigger teams we have ever had, increasing from twelve our first season to twenty-five this season. Kevin Murrell qualified for state competition, and Northeast had a fantastic mixture of talent. While there were nine freshmen, four of them were in the top eight. With the returning squad, Northeast hopes to start next year where they ended this year.

Seniors Janet Samuels and Beverly Martin proved to be worthy leaders of their team by playing and scoring consistently in each game.

Much improvement was displayed throughout the season by all team members. Each helped make a winning season for the Rams by dedicating themselves to practice and displaying an unselfish attitude on the court.

# 1985 VARSITY

The record for the varsity baseball team was 7-13; however, there were some good games. Injuries plagued the team this season. Left-handed pitcher Brian Long missed eight weeks with a broken arm, and the services of pitcher/third baseman Todd Brady were lost for two weeks at the beginning of the season. As the season progressed, however, the team matured and played much better baseball. These were six seniors on the team as well as a good young crop of ballplayers.

This year's team had two players, Brian Long and Todd Brady, to go on to college to continue their baseball careers. One thing was consistent, even with the losses. The players were serious about baseball and were hungry to win. The pitching was good throughout the season, but the hitting did not come around until the middle of the season. All in all, the 1985 season was a good year and good experience for the team.

J. Chrismon attempts to steal second base.

# 1985 J.V. BASEBALL

*First Row:* D. Kenney (scorekeeper), J. Milton, J. Roberson, C. McClung, E. Atensio, M. Solomon, T. Smith, C. Vance (Manager). *Second Row:* S. Taylor (Coach), G. Volmer, M. Young, T. Cobbler, M. Moorman, B. Pardue, G. Seamons, S. Roper, M. Brady, K. Chrismon, S. Smith (Scorekeeper).

This year's Northeast Junior Varsity Baseball Team finished with a 5-14 record. However, the team played respectably the last month of the season. The team was guided by first-year coach Skip Taylor.

The Rams were led in hitting by outfielder Etson Atencio and second basemen Joe Milton. In their victories, the Rams were sparked by the timely hitting of infielder Mike Solomon. The overall play of the Rams was characterized by the team's positive attitude.

E. Bryant does his imitation of Don Baylor.

M. Solomon takes aim to get a base hit.

# GOLF 1985

R. Chominsky, K. Nabors, B. Lambeth, T. Mericka, D. Jones, B. Kennedy, D. Thornhill, J. Martin, C. Pulliam, M. Cockman. Not pictured: D. McGee, Coach Thee.

Now let's see. Where did I leave my golf bag??

No, Carl. Hit the BIG ball!

The 1985 Boys' Golf team finished the season with a disappointing record, but played hard and never lacked school spirit. They showed good sportsmanship on and off the course. The team was led by Dillard McGee, who received Most Valuable Player honors, and Bi Lambeth, who received the Coach's Award.

M. Cockman is looking for a birdie.

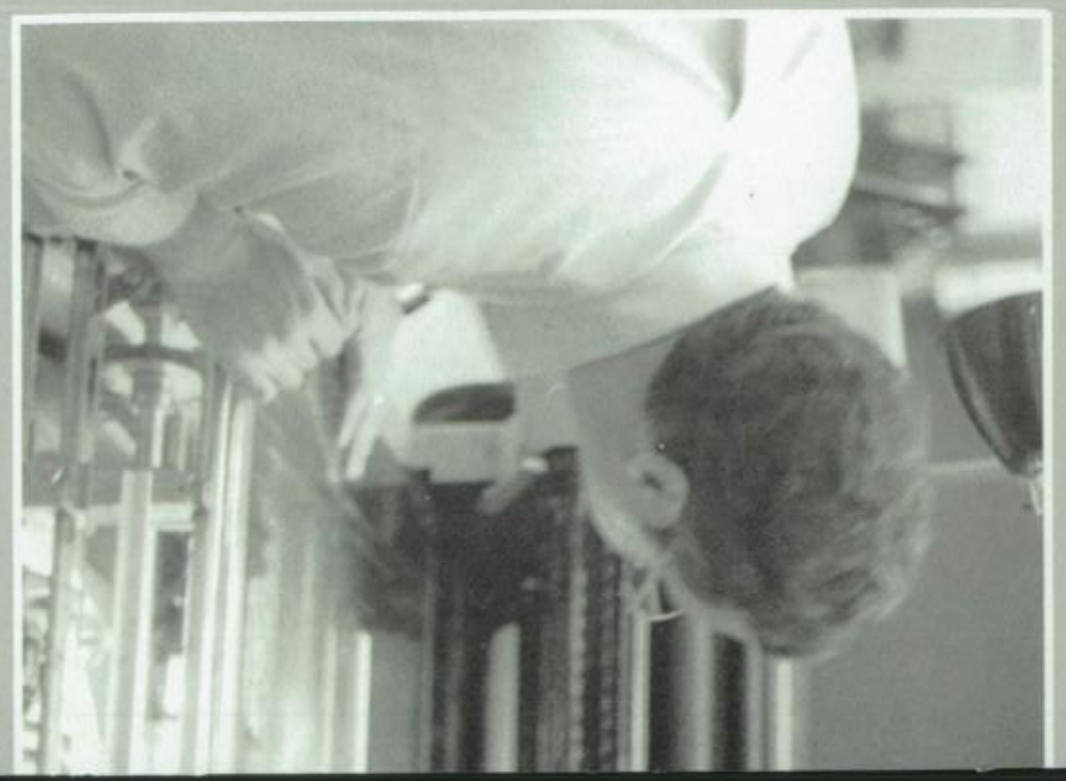
# CLOSING/ADS



Its really been great knowing you this year and I hope we could get a closer relationship going. I hope to see you over the summer, I mean all of you.

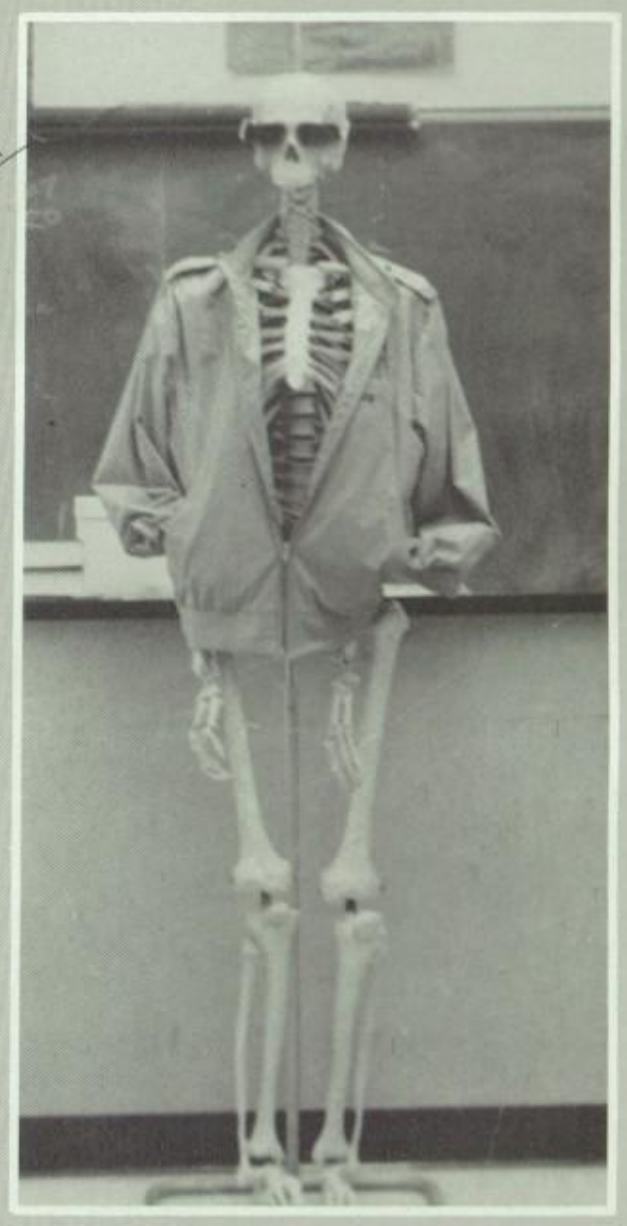
Love you alot
Bobby Pegram



As we bring another school year to a close, we look back on those empty halls which during the year held our "Best of Times."

We began as sophomores, and as we look back, we remember how scary the first day was. We really didn't believe then that high school was going to be "the best times of our lives." But then, as we became more comfortable, we realized that high school might actually be fun.

As juniors, we went in feeling uncertain about the upcoming year and came out feeling confident because we knew that next year we would be seniors!

As seniors, we knew "The Best of Times" had finally come for us. This was the highlight of our high school years, the one we worked hard for, the one we dreamed about. But we had to look forward to the future, for those times were coming to an end.

When we look back on the past year, we may remember happy times and sad times. But in the final analysis, we're sure we will all agree that this is "The Best of Times."

Janice,
It has been really nice seeing you this year. Hope to see you more next year. I have enjoyed it. Have fun this summer.
Love Always,
Alan Cable

Janice,
It's been great
working with you these
past 2 years. You've
been a great friend
to me. Thanks for
always being there
thanks for all your
advice. Have a
great summer. Don't
forget me.
Love ya,

We, the 1985-86 ARIES Staff, would like to show our gratitude to those who helped make this yearbook a success. The completion of this yearbook would not have been possible without their contributions.

First of all, we would like to express our appreciation to Mr. Wayne Pickerell for the many pictures he took which were needed to complete the book. He never let us down and was always willing to help us when we called on him. We would also like to thank Mr. Larry Thee and Mrs. Joy Kelly for offering their spare time to take pictures for us. Special thanks go to Mrs. Rebecca Powers, Mrs. Donna Culbreth, and Mrs. Peggy Woody for contributing their own personal photos to the yearbook. Another very special thanks goes to Mr. John Masters, our yearbook representative. He helped us with everything from complicated computers to simple picture cropping. He was always there when we called, and we appreciate that.

We also want to thank Mr. John Moore for helping us understand the computer. He spent much of his classtime teaching our typist how to use the computer, and we are grateful to him. We extend our thanks to Mr. Steve Griffin, also. He took time out of his schedule to help with photography, and we greatly appreciate his efforts.

The faculty and administration deserve appreciation for their patience and cooperation throughout the school year. Mrs. Mary Shores and Mrs. Leta Pillion deserve very special thanks for all their help this year. They spent many hours after school checking our layouts and often our mistakes. Without them, we could not have made it.

Last, but not least, we want to extend a very special thanks to Mrs. Tammy Heavner. She also spent much of her time correcting our layouts and getting us on the right track. Mrs. Heavner praised us in the good times and stuck with us in the bad times, but most of all, she was there for us when we needed a hand in yearbook or just when we needed someone to talk to. Thank you, Mrs. Heavner, for helping to make this year "The Best of Times."

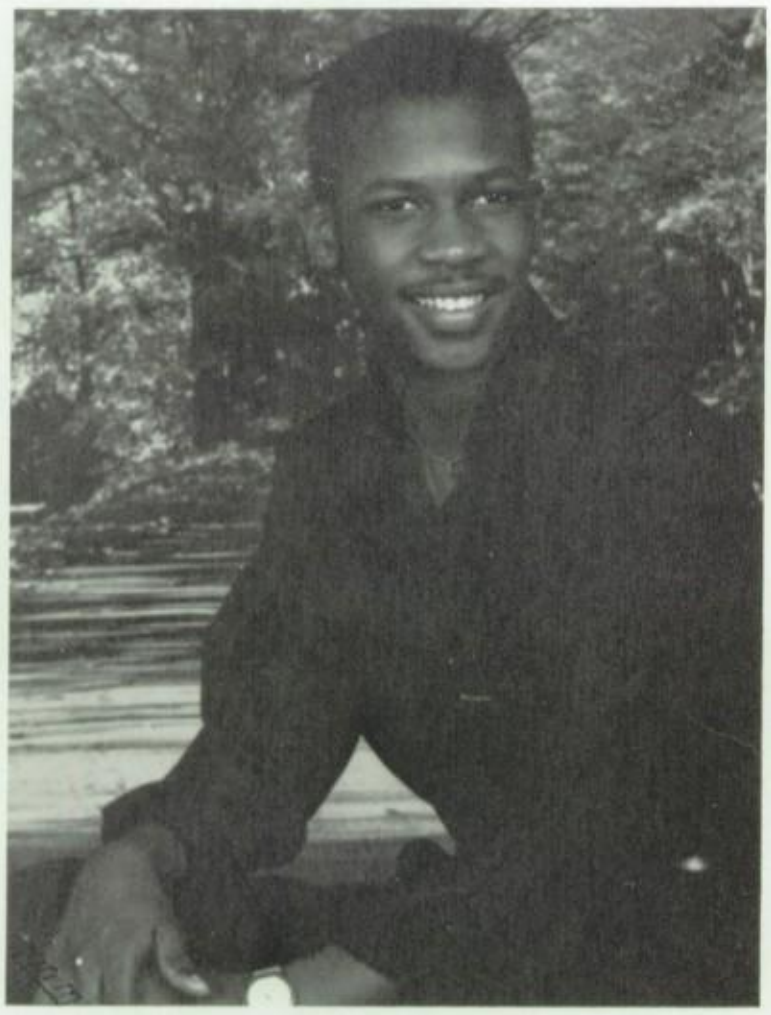
To Eric T. Collins



We are very proud of you. You never gave in; you pushed and pulled your way through. It took only you to make a positive mind up; no matter what we could have said—only you could make this day come true for you. We love you very much; whether you gave up or not, you still belong to us. We want to thank you for making this day possible, joyful, and happy. In whatever you choose to do, do your best, give your best, and never give up on your first chance, or choice. Keep a positive mind to make your dreams come true; go forth and be the best you want and can be. Be the best! Our first man—good luck in all you do, but most of all, lots of love and happiness, because without them, all the riches would mean nothing. Need a lending heart, or ear; one of us will be here.
Sincerely love,
Mom, Dad, Sherry, Doreen, Theresa, Bobby, Melonie

Congratulations,
Lynn
We are very proud of you and we love you.

If friends are those that see you through
Then that's what you are
Always there no matter what you do
Never busy, never far

If A friend is someone on which you can depend
Those that never judge, but always defend
Then we've been through as friends all the trippin' times
"Do Trust" quite a few
and the many bonds of our friendship have blossomed and grew
And though we branch off and stray into the wind
When I remember you, I'll remember a true friend.

Love,
Leslie

You are a perfect friend. You have known me in good and bad times. You have seen me when I was happy and when I was sad. You have listened to me when what I said was intelligent and when I talked nonsense. You have been with me when we had fun and when we were miserable. You have watched me laugh and cry. You have understood me when I knew what I was doing and when I made mistakes. Thank you for believing in me, for supporting me and for always being ready to share thoughts together. You are a perfect friend! I love you, Delsa, and I love you, Nikita!

Congratulations,

As we look back on our past years, we see how we have grown and matured. What lies in front of us now is *our* future. Our future . . . our lives. Friends we have made, a gift we desperately want to keep. But as we know, time must go on. A mutual bond is established of faith, hope, love, and security which keeps us together even though we are apart.

I love the gift of having "True" friends, and that's why I dedicate this to:

LAJAUNYA AND LADAUNYA GLENN

for whom I have the utmost admiration and respect. Remember me always,

I Love You Both,

Janice!
I finally found some space in this annual. You must have been pretty popular. I only regret that I hadn't got to know you sooner cause you're a great girl. And also very nice looking. I wish we could start over, and you'd not hate my guts. Then maybe we could go out. I know we're always will be, but I want to be more just friends. Hopefully you'll feel the same way. We have had some great times together & I hope there will be plenty more to come. You're a very special girl and there is not many like you so stay the way you are and be sure to keep in close touch. P.S. If you ever need anything or need someone to talk to you can always call upon me anytime.

Forever,
Ken Lewis

Janice,
It's been a trip knowing you in 1st period. I can't say you become a good friend to me. I hope you have a fun summer & don't get to high.

P.S. If we have a [redacted] greeting you'll let me know. Phil

Janice,
